This matter was opened to the New Jersey State Board of
Massage and Bodywork Therapy ("Board") upon review of Zengshan
Jin's application for licensure as a massage and bodywork
therapist. Upon a review of the application, and the results of

the Criminal History Background Check, it was ascertained by the Board that although the applicant had indicated "N" for "no" in response to the questions relating to arrests and convictions on the application, he had been arrested twice on charges of assault; once in November of 2011 and again in January of 2102. The charges were later dismissed. The applicant claimed that he had indicated "no" in response to the question on the application about prior arrests because the charges had been dismissed.

The Board finds that the applicant knew or should have known that by failing to disclose the above-cited charges on his application in response to the questions about arrests and/or convictions he was providing inaccurate information, and that he therefore engaged in misrepresentation on his application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and for other good cause shown;

IT IS ON THIS 17th DAY OF December, 2013

HEREBY ORDERED AND AGREED THAT:

1. A \$100.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and demonstration of satisfaction of all requirements for licensure, if he has not already done so.
